PERSONAL INFORMATION

Enrico Malatesta

Italian

born. 21 - 02 - 1985 in CESENA (FC) - Italy

living in CESENA (FC) VIA G.VERZAGLIA, 4

website: <http://enricomalatesta.com/>

STATEMENT

Enrico Malatesta is a percussionist active in the field of experimental research placed between music, performance and pedagogy; his practice explores the relations between sound, space and movements with particular attention to the multi-material possibilities of the percussion instruments. His research path is characterized by a strong emphasis on the ability to produce multiple information with simple actions, the motion and definition of the experience of listening and sustainability of the presence of the performer.
